M E N U

Welcome to Puzzle Restaurant, where food is an intriguing culinary game. My menu is a play of **innies** and **outies**, each named according to their sizes

I invite you to explore the two tasting experiences I have designed: a **15-piece puzzle** or an **8-piece puzzle**, both crafted to provide you with maximum enjoyment through my cuisine.

If you prefer you have the opportunity to explore independently, **creating your unique puzzle and personalizing your experience**. Feel free to choose how many innies and outies to include in your journey, bringing your unique and rule-free experience to life.

For a balanced and satisfying gastronomic experience, we recommend ordering **at least 4 savory outies**.

Enjoy the game,
Tommaso
